Seasonal Bulk & Yard Waste Reminders

As we move into the busy season for bulk and yard waste, here are a few helpful tips to keep things running smoothly:

- **Use Your Trash Cart First**
If you have room in your regular trash container, please place items there before setting them at the curb. *(This includes Yard Waste in communities where applicable.)*
- **Follow Local Guidelines**
Bulk and yard waste must meet your municipality's rules. Oversized or non-compliant items may not be collected. If you're unsure what qualifications are, we're happy to help—reach out to our customer service team at (216) 441-6300.
- **Prepare Items Properly**
Bundle branches, bag loose yard waste, and place everything neatly at the curb by **6:00 AM** on your collection day.

Please keep in mind—our driver's service thousands of homes a week. These best practices help ensure everyone gets timely, safe, and reliable service.

Additional Reminder

To help prevent litter and keep your neighborhood clean, **please bag all trash before placing it in your cart or container**. This prevents loose debris from escaping during collection. *(This does not apply to recycling.)*

**Republic Services proudly honors all who have served this country.
Thank you and have a safe and meaningful Memorial Day weekend.**
